Re: Planning Commission Public Hearing, December 22, 2014
Development and Land Use Application For Solids Repository, Rico-Argentine Site
Atlantic Richfield Company's Affidavit of Mailing of Public Notice

Dear Ms. Daves:

I am submitting the enclosed affidavit in connection with the above-referenced Dolores County Planning Commission matter. In accordance with the Dolores County Development and Land Use Regulations, Article III, Section 6.A, this affidavit confirms that notice of Atlantic Richfield Company's Development and Land Use Application and the December 22, 2014 public hearing was mailed out to all record owners of properties located within ½ mile of the development property boundary on November 10, 2014. In addition, notice was posted near the property on November 12, 2014 and published in the Dover Creek Press on November 13 and 20, 2014. Copies of the notice letters and photographs of the notice posting are attached as exhibits to the enclosed affidavit. A publisher's affidavit will be submitted separately.

Please contact me with any related questions.

Very truly yours,

BEFORE THE DOLORES COUNTY PLANNING COMMISSION

IN THE MATTER OF THE DEVELOPMENT AND LAND USE APPLICATION FOR
SOLIDS REPOSITORY, RICO-ARGENTINE SITE

SUBMITTED BY ATLANTIC RICHFIELD COMPANY

AFFIDAVIT OF ADAM S. COHEN

Adam S. Cohen, after first being duly sworn, deposes and states as follows:

1. I am an attorney with the Denver, Colorado law firm of Davis Graham & Stubbs LLP, admitted to practice in Colorado. I am counsel to applicant Atlantic Richfield Company ("Atlantic Richfield") in this matter, which concerns the Development and Land Use Application for Solids Repository, Rico-Argentine Site, initially submitted to the Dolores County Planning Commission (the "Commission") on March 14, 2014 (the "Application").

2. On October 27, 2014, the Commission voted to accept Atlantic Richfield's Application as complete and set the matter for public hearing on December 22, 2014, at 6:00 P.M. in Dove Creek, Colorado (the "Hearing").

3. On November 4, 2014, I received from Ms. Lorraine Hancock, the Commission's Secretary, a form Notice of Land Use Change, to be used for the purpose of mailing out public notice to owners of property located near the new development described in the Application (the "Notice Letter"), and a notice posting to be used for the purpose of providing public notice of the date, time, location, and subject of the Hearing (the "Notice Posting").

4. As required by the Dolores County Development and Land Use Regulations (the "Regulations"), Article III, Section 6.A, I personally arranged for delivery of the Notice Letter to all record owners of real property adjoining the property on which the new development described in the Application would take place (the "Development Property") and all record

owners of real property located within ½ mile of the outside boundary of the Development Property.

5. Recipients of the Notice Letter were identified from the property records maintained by the Office of the Dolores County Assessor, using the Assessor's Parcel Search and County Map on-line tool, accessed on or about October 28, 2014, at <http://209.139.208.16/mapguide/dolores/index.php>.

6. To identify the Notice Letter recipients, Atlantic Richfield's contractor, AECOM, overlaid a one-half mile radius circle surrounding the Property onto the Assessor's County Map. All parcels falling completely or partially within the circle were identified as Notice Letter recipients. The Assessor's Parcel Search and County Map on-line tool was used to obtain the mailing address for each Notice Letter recipient.

7. Exhibit 1 to this Affidavit lists each Notice Letter recipient and his/her/its mailing address so identified.

8. On November 10, 2014, letters conforming to the Notice Letter were sent by first class, certified mail, return receipt requested from my law firm to the fourteen Notice Letter recipients at the addresses listed in Exhibit 1. Mailing certification numbers for each letter are also listed in Exhibit 1. True and correct copies of the fourteen Notice Letters are attached as Exhibit 2.

9. As of December 1, 2014, I had received signed delivery receipts back from thirteen of the fourteen Notice Letter recipients. The Notice Letter sent to Jonathan M. Young and Melissa Neumann, at address P.O. Box 3043, Telluride, CO 81435, regarding PIN 504723400013, was returned undelivered and marked "Box Closed, Unable to Forward, Return to Sender."

10. On or about November 12, 2014, as required by Article III, Section 6.C of the Regulations, Atlantic Richfield placed a 2' x 3' copy of the Notice Posting at a readily accessible and visible location near the Property. The Posting Notice was erected at the junction of Highway 145 and the access road leading to the Property. Photographs of the erected Posting Notice are attached as Exhibit 3.

11. On November 13 and 20, 2014, copies of the Posting Notice were also published in the Dove Creek Press, as required by Article I, Section 7.B and Article III, Section 6.A of the Regulations. The Dove Creek Press is separately providing a publisher's affidavit documenting such publication.

12. I have personal knowledge of the matters set forth above and am competent to testify with respect to them.
